	Girls' Intramurals	130
Patrons		132-144

The New Library

Students taking advantage of their new facility.

This year the new library was opened. The new facility is actually our old auditorium. The Mucci Construction Company did a fine job in remodeling and carpeting the floors. The library contains a study room, main area, and work rooms for our librarian, Mrs. Huggins.

Mrs. Huggins is hard at work cataloging the new books arriving every day.

THE FIRST NATIONAL BANK

Carmichaels, Pa.

The Greene County Memorial Park was originated and developed by a group of men and women whose dream it was to have a cemetery wherein people could worship as they would in a church—a place of quiet beauty with rolling lawns and stately trees unbroken by unsightly tombstones but yet with each burial place distinctly marked; a place of solace and prayer where one might visit with departed loved ones in proper surroundings; and lastly a place whose beauty and charm would not in time disappear but would be everlastingly protected.
